Completion Certificate of Compliance: Westmead Childrens Hospital Carpark

This document provides certification confirming that the Westmead Childrens Hospital Carpark development has been constructed in accordance with Section J report *230417_P4505_Section_J_JV3_Report_2.0* by Aspire Sustainability Consulting & ESD Report *197087 S02* prepared by Stenson Varming dated 8 April 2021.

A review of As Built documentation relating to the subject site has been carried out against Section J & ESD Report requirements, with as built documentation and visual inspection during a site visit confirming targets have been met.

Certification Statement Request:

“Certification that the building works have been completed in accordance with the ESD Report No. 197087 S02 prepared by Stenson Varming dated 8 April 2021”.

Documentation Assessed

The following documents were issued by appropriate project team members confirming applicable building elements were installed in accordance with requirements contained within Section J report *230417_P4505_Section_J_JV3_Report_2.0* by Aspire Sustainability Consulting & ESD Report *197087 S02* prepared by Stenson Varming dated 8 April 2021:

- 1) As-Built Wall Setouts;
- 2) Glazing Installation Cert;
- 3) Roof and Wall Installation Cert;
- 4) Insulation Datasheets;
- 5) Photos of Insulation as Installed;
- 6) System Glazing Performance Values Cert;
- 7) Applicable project services documentation;
- 8) Applicable project trades documentation.

Site Visit

A site visit was carried out on 28th February 2024 whilst construction was nearing completion. Insulation was shown to be installed throughout all applicable locations and items visually inspected were in accordance with the ESD report requirements.

Confirmation of Compliance

Following the site visit & subsequent review of product datasheets & installation certificates Aspire Sustainability Consulting can confirm the Westmead Childrens Hospital development has been constructed in accordance with Section J report *230417_P4505_Section_J_JV3_Report_2.0* by Aspire Sustainability Consulting & ESD Report *197087 S02* prepared by Stenson Varming dated 8 April 2021.

Feel free to get in touch should you require any additional information.

Kind regards,

A handwritten signature in black ink that reads "Luke Williams".
